

South Asian Wedding Package

A wedding should be unforgettable, for the newlyweds, for the family, and for all of your guests. We work with you to make sure that it is.

Our venue offers two beautiful ballrooms that can be adapted, decorated and divided to suit your vision. And our team is here to make sure you're satisfied at each step of the process – from planning, preparing, setting up and finally receiving your guests and celebrating a beautiful match. We help wherever we can, and we put years of experience on countless events at your disposal.

We are connected to two recognized hotels – Hilton's Hampton Inn and the Courtyard Marriott Ottawa East – giving us 576 hotel rooms on site. This keeps your accommodations planning simple but flexible.
